

HOW CAN YOU HELP?

Make a tax-deductible donation. All donations are used exclusively for improvements to and maintenance of the dog park.

License your dog. Licenses are required for dogs to use the park. Ensure all vaccinations are current.

Volunteer. You don't have to contribute many hours. A simple walk around the dog park and adjacent areas to pick up dog droppings and litter is always appreciated. Or come to our meetings to see where you can help.

Thank you to the Park Commission, Mayor Hess and the Burgesses and the great folks at Public Works for their support and encouragement.

The goal of the Naugatuck Dog Park Committee is to provide the opportunity for dog owners to socialize, promote responsible pet ownership, support public health & safety, and to build community.

The Naugatuck Dog Park

The Naugatuck Dog Park is on three acres approved by the Borough where dogs can legally run off leash and play with other dogs under the supervision of their owners.

It's a place to gather, make friends, and socialize while enjoying your dog(s).

The dog park is located off of Andrew Mountain Road in a beautiful area of 136 acres filled with walking trails, a picnic area, and a community garden.
