

Public Service Announcement from Little Britches Therapeutic Riding of Connecticut

What: Little Britches Virtual 5K Walk/Run

Who: Little Britches Therapeutic Riding, <https://www.littlebritchesct.org/>

When: 8 am Saturday, June 26, 2021 to 8 am Monday, June 28, 2021

Where: Wherever you are!

This event has run for the past seven years in the beautiful town of Bridgewater, allowing runners to enjoy a day of racing and fun activities for participants of all ages. Little Britches has decided that this year's 5k Run/Walk will be a virtual event once again. Registration for this event is available at:

http://www.lightboxreg.com/little-britches-5k-run-and-walk_2021_virtual?func=&mobile=0.

The first 100 registered participants will receive a registration packet with a race t-shirt & a race bib. We are asking all participants to share pictures from wherever you are walking/running the day of the event and tag Little Britches in your social media posts. We also encourage participants to create a fundraising page on <https://littlebritchesct.myevent.com/>

Founded in 1979 by Peg Sweeney and Betty Lou McColgin, Little Britches aims to change the lives of people with disabilities using the movement of the horse. We currently operate at Tophet Road Farm, a private farm in Roxbury, Connecticut, where we serve approximately 80 individuals per week from 32 towns in the tri-county area. Little Britches provides an opportunity for our students to participate in a sport; they are no longer spectators sitting on the sidelines. They are riders in the center of the ring – they become sports stars.
