Due to Covid-19, many of our families are struggling this summer. Bus prices for field trips have increased dramatically. Park & Rec is covering half the cost of a seat on the bus for each camper who attends a field trip.

Covid rules are changing every day. Currently, Masks must be worn by campers at all times. We are waiting on guidance from the BOE as to mask wearing while outside on school property. We will pass this information along as soon as we hear from the BOE.

Hand washing and sanitizing & sanitizing surfaces regularly will continue. Campers will answer health questions when signing in. We will send an email to our parents before camp begins as to the current Covid guidelines for our program.
