

BOROUGH OF NAUGATUCK  
REQUEST FOR PROPOSAL

FY24-SC Grant Administrator for Small Cities Program Income Housing Rehabilitation Loan  
Program

SMALL CITIES HOUSING REHABILITATION PROGRAM INCOME LOAN PROGRAM  
ADMINISTRATIVE & TECHNICAL SERVICES

1. **Intent**

- a. The Borough of Naugatuck requests proposals from qualified firms or individuals for professional and technical services to assist the Borough in assuring compliance with the Connecticut Department of Housing’s requirements, and any related requirements, regarding the Borough’s Small Cities Program Income Housing Rehabilitation Loan Program. It is the intent of this Request for Proposal to comply with the Connecticut Department of Housing’s requirement for competitive negotiation of administrative and technical services. The successful respondent (hereafter, the “Contractor”) shall enter into a contract with the Borough to provide the services described below that are related to the Borough’s residential rehabilitation program.

2. **Description of Services Needed**

- a. Administrative and technical support to implement activities for, and to administer, the Borough’s Small Cities Program Income Housing Rehabilitation Loan Program during the life of the contract. The Contractor shall be responsible for all phases of general program administration and compliance, under the Borough’s direct supervision, for approved projects, including (but not limited to) project administrative activities and oversight of housing rehabilitation design and delivery. Services will include attendance, as needed, at public meetings of oversight or regulatory bodies, meetings with Borough officials, and coordination and attendance at public hearings by the Borough or other funding entities, helping Borough officials notify citizens of program availability, taking the necessary steps to ensure compliance with all of the items in the “Federal Requirements” section below, and assisting the Borough in responding to inquiries during State review and processing. During the implementation phase of any project, the Contractor’s services may include grant coordination, contract compliance, compliance with the Borough, State and/or Federal requirements, general administration to coordinate the activities of other contractors and the Borough, monitoring of other contractor’s activities, verifying program income requirements, and any other administrative or technical services required by the Borough to ensure both the successful completion of the project and adherence to all funding requirements by the Borough. The general and technical services described in this section do not include architectural services, engineering services, legal service or disbursement of funds on behalf of the Borough.

### **3. Type of Contract**

- a. The Borough will execute a fixed price type of contract for these services with the Contractor. The fixed price shall include all items normally considered required to complete the task. All services included in the contract shall be delivered to the Borough for the agreed upon price. Lump sum pricing may also be negotiated for other specific and identifiable program components.

### **4. Federal Requirements**

- a. The Contractor shall monitor project activity to allow the Borough to adhere to the terms and conditions of the following federal requirements, as amended:
  - i. 2 CFR 200.320
  - ii. Title VI of the Civil Rights Act of 1964
  - iii. Conflict of Interest Requirements (24 CFR Part 570)
