

SECTION 61 ~ PLANNED DEVELOPMENT DISTRICT #2

NAUGATUCK INDUSTRIAL PARK

(Effective November 1, 2011)

(Text Amendment July 29, 2022)

61.1 General: The "Zoning Regulations of the Borough of Naugatuck, Connecticut" including the Zoning Map and Zoning Districts, are amended by establishment of Planned Development District #2, hereinafter referred to as PDD #2.

61.1.1 Content: The zoning provisions applicable in PDD #2 are those specified in the following maps and plans.

- A. Boundary Survey, "Naugatuck Industrial Park, Economic Development Commission, Naugatuck, Connecticut" dated February 1978 (Scale 1"=100').
- B. Property Map Prepared For Bank Street Development Corporation and Main Street South Corporation showing Land of Anne Wall Bronson, et al Waterbury, Naugatuck, Connecticut dated May 1985 (Scale 1"=100').
- C. Land Use Plan, "Naugatuck Industrial Park, Economic Development Commission Naugatuck, Connecticut" dated February 1978 (Scale 1"=400') as amended.
- D. Topographic Map, "Naugatuck Industrial Park, Economic Development Commission, Naugatuck, Connecticut" dated June 1974 (Scale 1"=400').

61.1.2 Regulations: Within PDD #2, no land, building or other structure shall be used and no building or other structure shall be constructed, reconstructed, enlarged, extended, moved or structurally altered except in conformity with the Zoning Regulations of the Borough of Naugatuck, Connecticut" hereinafter referred to as the "Regulations", as modified by PDD #2, until an application for Site Plan Approval under Section 32 of the Regulations, has been approved by the Zoning Commission.

- A. No lot or land shall be subdivided, sold, encumbered or conveyed except in accordance with said Regulations as modified by PDD #2 unless a positive recommendation of the Economic Development Commission has been issued stating that the proposal is in conformance with the purpose and intent of the 1978 Naugatuck Industrial Park Land Use Plan.
- B. No application for Site Plan Approval under Section 32 of the Regulations, can be approved by the Zoning Commission unless a positive recommendation of the Economic Development Commission has been issued stating that the site plan is in conformance with the guidelines of the 1978 Naugatuck Industrial Park Land Use Plan for the area in which the use is to be located.
- C. Excavation, deposition, grading or other earth disturbance in direct connection with construction of buildings or alteration on a lot and involves the removal from or addition to the premises of more than TEN

THOUSAND (10,000) cubic yards of earthen material shall require a Special Permit by the Zoning Commission. A Site Plan showing existing and proposed contours of the lot and adjoining property shall be required.

D. In the interest of saving time for the applicant, it is highly recommended that the applicant submit an excavation plan showing the limits, depths and amounts of excavation prior to submitting a Site Plan application in order to allow for the Zoning Commission to obtain an outside review if necessary, as determined by the Commission. The applicant may also submit a site plan for an informal review by the Commission. The Commission reserves the right to require detailed excavation plans if it deems it necessary on any application.

E. All excavation, deposition, removal, grading or addition of earth materials upon any land shall be kept to a minimum required for the proposed construction of the structures and improvement of property as determined by the Zoning Commission.
