- 60.6 Coverage and Bulk: Within land use area "A" the aggregate lot coverage of all buildings and other structures shall not exceed 15% of the area of area "A" and the total floor area of all buildings and other structures shall not exceed 35% of the area of area "A". Within land use area "C" the aggregate lot coverage of all buildings and other structures shall not exceed 40% of the area of area "C" and the total floor area of all buildings and other structures shall not exceed 100% of the area of area "C". Within land use area "B" no building or other structures are permitted.
- 60.7 Signs: Within land use areas "A" and "C", signs shall conform to the requirements of Section 43 of the Regulations, except that within land use area "C" no sign shall be established or constructed until a special permit is secured from the Borough Planning Commission in accordance with Section 32 of the Regulations. Within land use area "B", no sign is permitted.
- 60.8 Parking: Within land use area "A" and "C", off-street parking and loading spates shall be provided in accordance with Section 42 of the Regulations, except that within land use area "A" there shall be two parking spaces for each dwelling unit, or one parking space for each bedroom, whichever is greater.

- 60.9 Lighting: All outside lighting shall be directed so that the source of illuminating is not visible beyond the land use area. All lighting of signs in land use area "A" shall be indirect with the source of illumination not visible from any street or beyond area "A".
- 60.10 Other: All provisions of the Regulations that are applicable in Residential RA-2 Districts shall be applicable to land use area "A" and "B" of PDD #1, and in BUiness District #2 shall be applicable to land use area "C" of PDD #1, except as modified by this Statement.

## SECTION 61 ~ PLANNED DEVELOPMENT DISTRICT #2

### NAUGATUCK INDUSTRIAL PARK

**(Effective November 1, 2011)**

61.1 General: The "Zoning Regulations of the Borough of Naugatuck, Connecticut" including the Zoning Map and Zoning Districts, are amended by establishment of Planned Development District #2, hereinafter referred to as PDD #2.

61.1.1 Content: The zoning provisions applicable in PDD #2 are those specified in the following maps and plans.

- A. Boundary Survey, "Naugatuck Industrial Park, Economic Development Commission, Naugatuck, Connecticut" dated February 1978 (Scale 1"=100').
- B. Property Map Prepared For Bank Street Development Corporation and Main Street South Corporation showing Land of Anne Wall Bronson, et al Waterbury, Naugatuck, Connecticut dated May 1985 (Scale 1"=100').
- C. Land Use Plan, "Naugatuck Industrial Park, Economic Development Commission Naugatuck, Connecticut" dated February 1978 (Scale 1"=400') as amended.
- D. Topographic Map, "Naugatuck Industrial Park, Economic Development Commission, Naugatuck, Connecticut" dated June 1974 (Scale 1"=400').

61.1.2 Regulations: Within PDD #2, no land, building or other structure shall be used and no building or other structure shall be constructed, reconstructed, enlarged, extended, moved or structurally altered except in conformity with the Zoning Regulations of the Borough of Naugatuck, Connecticut" hereinafter referred to as the "Regulations", as modified by PDD #2, until an application for Site Plan Approval under Section 32 of the Regulations, has been approved by the Zoning Commission.

- A. No lot or land shall be subdivided, sold, encumbered or conveyed except in accordance with said Regulations as modified by PDD #2 unless a positive recommendation of the Economic Development Commission has been issued stating that the proposal is in conformance with the purpose and intent of the 1978 Naugatuck Industrial Park Land Use Plan.
- B. No application for Site Plan Approval under Section 32 of the Regulations, can be approved by the Zoning Commission unless a positive recommendation of the Economic Development Commission has been issued stating that the site plan is in conformance with the guidelines of the 1978 Naugatuck Industrial Park Land Use Plan for the area in which the use is to be located.
- C. Excavation, deposition, grading or other earth disturbance in direct connection with construction of buildings or alteration on a lot and involves the removal from or addition to the premises of more than TEN

THOUSAND (10,000) cubic yards of earthen material shall require a Special Permit by the Zoning Commission. A Site Plan showing existing and proposed contours of the lot and adjoining property shall be required.

- D. In the interest of saving time for the applicant, it is highly recommended that the applicant submit an excavation plan showing the limits, depths and amounts of excavation prior to submitting a Site Plan application in order to allow for the Zoning Commission to obtain an outside review if necessary, as determined by the Commission. The applicant may also submit a site plan for an informal review by the Commission. The Commission reserves the right to require detailed excavation plans if it deems it necessary on any application.
- E. All excavation, deposition, removal, grading or addition of earth materials upon any land shall be kept to a minimum required for the proposed construction of the structures and improvement of property as determined by the Zoning Commission.

## SECTION 63 - PLANNED DEVELOPMENT DISTRICT #4

### NUTMEG VILLAGE

63.1 General: The "Zoning Regulations of the Borough of Naugatuck, Connecticut" including the Zoning Map and Zoning Districts, are amended by establishment of Planned Development District #4, hereinafter referred to as "PDD #4".

#### 63.1.1 Purposes:

- (a) To develop a tract of presently undeveloped real estate into a Cluster Solar-Residential Community of integrated and harmonious design which is consistent, not only with its immediate surrounding neighborhood, but also with the residential character of the Borough-at-large and the plan of Borough-wide development established by the Planning Commission.
- (b) To allow the use of a parcel of land which, due to the terrain, contours and location as it relates to existing utilities, could not be appropriately developed under the present zoning designation or any other existing zone regulations.

63.1.2 Content: The zoning provisions to be applicable to PDD #4 are those proposed in this Statement. This Statement is accompanied by the following Maps and Plans which together constitute the "Development Plan" required by Section 33.2.2 of the Zoning Ordinance, which are identified as follows:

- a) "Site Plan - PDD #4", JULY 8, 1981 - scale 1" = 40', pages 1 and 2.
- b) "Architectural Plans" - PDD #4, JULY 8, 1981, scale 1" = 40' pages 1,2,3 and 4.
- c) Boundary Description, PDD #4, October 19, 1981.
- d) "Subdivision Plan" - Section I, Nutmeg Village, Mulberry St. Naugatuck, CT., prepared for Valley Associates, scale 1" = 40' dated 2/21/82, revised 4/22/82 and 4/27/82, sheet 1.
- e) Subdivision Plan - Section II, Nutmeg Village, prepared for Valley Associates, Mulberry Street, Naugatuck, CT, scale 1" = 40', dated 4/2/82, revised 5/22/82 and 10/22/82.
- f) Boundary Description, PDD #4, Amendment #1, 10/20/82.
- g) Boundary Map, Map showing land to be re-zoned, PDD #4, date 10/20/82 (amendment #1).
- h) Proposed Subdivision Map, Nutmeg Village, Section 3, dated 10/4/82, revised 10/5/82, 11/1/82 and 12/15/82, 2/7/83
- i) Site Development Plan, Nutmeg Village, Section 3, dated 10/4/82, revised 11/1/82, 12/15/82, 1/28/83, 2/3/83, 2/7/83, 3/1/83, 4/4/83

63.1.3 Regulations: Within PDD #4, no land, building or other structure shall be used and no building or other structure shall be constructed, reconstructed, enlarged, moved or structurally altered except in conformity with the "Zoning Regulations of the Town of Naugatuck, Connecticut", adopted February 9, 1973, hereinafter referred to as the "Regulations", as modified by this Statement. Within PDD #4, no lot or land shall be subdivided, sold, encumbered or conveyed except in accordance with said Regulations as modified by this Statement.

63.1.4 Boundary: The boundary of PDD #4, is delineated on the "Site Plan" referred to in Section 63.1.2 above and encompasses an area of 27 acres.

63.2 Permitted Uses: PDD #4, is to be used exclusively for a Single Family Cluster Solar Residential Community. The land and buildings shall be used for the following specific use and no other:

63.2.1 Residential:

- a) Building containing no more than two (2) dwelling units in each building but with each dwelling unit constructed on a single building lot.
- b) The following uses when clearly subordinate and subsidiary to the uses permitted in Section 63.2.1:
  1. Storage;
  2. off-street parking;
  3. vehicular access;
  4. private access roads for rear lots shall be permitted, provided they each have a width of no less than fifteen (15) feet. Where rear lot access roads adjoin each other then rear lot owners shall be provided an easement for vehicular and pedestrian traffic and for utilities over each others access roads, which easements shall be noted on Subdivision Maps and shall be recited in the property owners deeds;
  5. electric, telephone, gas, water, sanitary sewer lines, outside lighting and other utilities;
  6. landscape features-permanently maintained with the rear-most area to be maintained in its natural form;
  7. solar access, no trees, vegetation or structures of any kind whatsoever shall be permitted on any lot, that will impair the solar access of any lot within PDD #4. Solar construction features shall be noted on PDD #4's subdivision maps. Solar access requirements shall be noted on subdivision maps and guaranteed for each lot by suitable deed restrictions which shall require all property owners to preserve the solar access for their lots as well as others in the subdivision.

8. open space shall be designated on PDD #4's Site Plan, and on any subsequent subdivision plans. The disposition requirements for open space land in PDD #4, shall be the same as recited in Section 34.4.7 of the Zoning Regulations for open space subdivisions.

9. signs, as permitted in Zoning Regulations.

63.3 Standards: The land within PDD #4 shall be subdivided into individual lots, in accordance with the Planning Commission Regulations for the Borough of Naugatuck, and the provisions of these Regulations that are applicable in an RA-1 zone, except as modified by this Statement, as follows:

63.3.1 Square: The minimum dimension of a square on a lot shall be 40 feet, to be determined at any location on the lot.

63.3.2 Setbacks:

63.3.2.1 Sidelines: Within the proposed PDD a building must be set back 10 feet or more from at least one side property line, a building may extend up to any common side property line with no setback. A "Common Side" line is defined as that side line that is in common with any two attached or detached single family homes and that is not set back 10 feet from the buildings on each lot.

63.3.2.2 Street Line: Within PDD #4, the minimum building set back requirement of 25' shall be measured back from the front boundary line. a front boundary line shall be any lot boundary line that is not a rear line or a side line.

63.3.3 Frontage: Within PDD #4, "Street Frontage" is defined as a line measured from side line to side line, at the building set back line.

63.3.4 There shall be no more than ninety-five (95) lots permitted in PDD #4,

63.3.5 Other: All other provisions of the Regulations that are applicable in Residential RA-1 Districts shall be applicable to PDD #4, except as modified by this Statement.

## SECTION 64 - PLANNED DEVELOPMENT DISTRICT #5

### GLENHOLLOW CONDOMINIUMS

64.1 General: The "Zoning Regulations of the Borough of Naugatuck, Connecticut", including the Zoning Map and Zoning District, are amended by establishment of Planned Development District #5, hereinafter referred to as "PDD #5".

#### 64.1.1 Purposes:

- (a) To develop a tract of presently under-utilized real estate into a "Planned Condominium Community" of integrated and harmonious design which is consistent, not only with its immediate surrounding neighborhood, but also with the character of the Borough-at-large and the plan of Borough-wide development established by the Planning Commission.
- (b) To limit the mixed zoning uses available to a presently existing parcel of land by restricting said parcel of land to the harmonious single use of the unique proposed Planned Development District.

64.1.2 Content: The zoning provisions to be applicable to PDD #5 are those suggested in this Statement. This Statement is accompanied by the following maps and plans bearing the general title "Proposed Planned Development District #5 (items A-1 through A-4 prepared by Moeckel and Oris, Architects, P.C.; Naugatuck, Connecticut and items C-1 through C-6 prepared by R.J.
