

Connecticut Light & Power

A Northeast Utilities Company

OP5909 REV. 9-14

Date: _____

For property at: _____

Town: _____

On CL&P Electrical Circuit: _____

Dear Property Owner,

Please review the enclosed brochure describing proposed tree work along the utility wires on or near your property.

There is no charge for this work, however, if you have any questions, please contact _____, a qualified CL&P tree contractor from _____, at (_____) _____.

Please review the tree work details below, and fill out this form if you agree to the work. Please keep the attached pink Customer Copy for your records. Place the white and yellow copies inside the door hanger, hang it back on your door, and we will collect the form during the next few days. If you received this notification form in the mail, please send it back to us in the enclosed envelope.

Thank you.

Proposed Tree Work Description

- Prune or remove large and/or small branches, as explained in the enclosed brochure. Branches will be chipped.
- Remove brush and small trees (up to 6 inches in trunk diameter) that could grow into the power lines from below or from the side.
- Take down tagged/marked trees. Wood will remain on site
- Apply herbicide to cut stumps to prevent regrowth.
- Additional Information _____

I own the identified property and I consent to the proposed tree work to improve service reliability

Name (Please Print) _____

Signature _____

Preferred telephone number: (_____) _____

I do not own the property.

The owner is:

Name (Please Print) _____

Address _____

Telephone number: (_____) _____

Customer Comments:

If you have questions regarding this reliability improvement work, please contact the CL&P contractor listed above, CL&P Customer Care at 800-286-2000 or clptree@nu.com.

If trees on this property are located along the road, CL&P may refer the work to your town Tree Warden or the Connecticut Department of Transportation.

CL&P and its contractors do not assume responsibility should a tree/trees fall prior to the completion of this proposed tree work.
