

**ADDENDUM NO. 1**  
RFP  
GPS Vehicle Tracking System  
Contract No. 14-19  
Borough of Naugatuck, CT

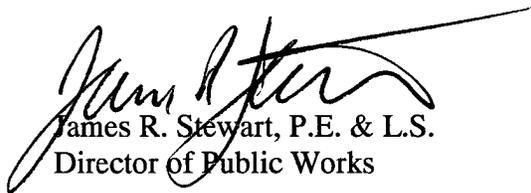

April 25, 2014

Department of Public Works  
246 Rubber Ave.  
Naugatuck, CT 06770

Receipt of this addendum must be acknowledged on the Proposal/Bid Form. Please recognize the following changes regarding the above contract bid:

A1.1 Section 4.1.1 shall be deleted and shall be replaced with the following:

4.1.1. The contractor shall provide for purchase or lease by the Borough, hardware and software to equip thirty (30) vehicles with GPS Vehicle Tracking to be installed by the Contractor. The Borough intends to establish a five year service agreement for the most cost effective option based on the proposals submitted. Proposals shall include detailed information describing the manufacturer and model of the equipment to be provided.

  
James R. Stewart, P.E. & L.S.  
Director of Public Works
