## From the Superintendent

We have finished aerifying all of the greens. We apologize for any inconvenience this may cause. However, in order to keep our greens the best kept secret in the state, we need to do this. Also, we please ask everyone to help us out by repairing any ball marks you cause or may see on the course. A ball mark properly fixed will heal in **24** hours, while an unrepaired ball will not heal for **14** days.

## 2013 JUNIOR GOLF AT HOP BROOK

The junior golf program this year is being revamped. We are participating in two exciting programs: An Interclub program as well as a PGA Junior Little League for children ages 8-13. Junior Evaluations will be Saturday June 22<sup>nd</sup> from 4:00PM-6:00PM, rain date is June 23<sup>rd</sup>. More information can be obtained at the pro shop.

## HOLE IN ONE PRIZE

In a partnership with Omaha steaks and the Connecticut section of the PGA, anyone on hole number 7 (170 yards or more) recording a hole in one will receive a prize package from Omaha Steaks.

Speaking of hole in ones, congratulations to Tye Rogers who recently recorded a hole in one on the par 3 fifth hole.

Finally, we are asking our members if there might be an interest in doing a nine hole night event in August. Dinner would be at 5:30, draw the teams about 6:30, and start golfing in the twilight about 7:15 or so and finish in the dark. Please stop in the golf shop with your ideas about that or anything being done here at the golf course.

Hope to see everyone soon, and please stop down to see our specials here.
