### From the Superintendent

With the recent rains, the golf course is a little saturated. Please follow all posted rules as it pertains to golf carts. We recently had to rope off portions of the first hole as a cart tore up part of the fairway. This damage can take weeks to repair. Please help keep our course in such great shape.

## 2013 JUNIOR GOLF AT HOP BROOK

Our 2013 junior program has begun. We still have ample room for juniors on our interclub team. We begin league play Monday July eighth with a match at Bulls Bridge Country Club in Kent. Also, junior league play begins this Friday, and will continue on Thursdays beginning next week. Please spread the word, as we are looking to develop this into the future of our golf course.

### HOLE IN ONE PRIZE

In a partnership with Omaha steaks and the Connecticut section of the PGA, anyone on hole number 7 (170 yards or more) recording a hole in one will receive a prize package from Omaha Steaks.
