

## END OF THE SEASON LETTER

There are still a few weeks of golfing weather here at Hop Brook, especially now that the clocks have turned back an hour. Please be aware that there are no longer tee times necessary for weekend play, as it will be on a first come first serve basis weather conditions pending. Please remember, however, that Sunday mornings until 11:00 AM you are still asked to have a minimum of three people playing in your group.

Looking to do some holiday shopping? Our pro shop has plenty of merchandise to satisfy the golfer in your family for the holidays. Also, in conjunction with Titleist Golf Balls, we are offering free personalization on a dozen golf balls. Any order placed by December 1 will arrive in time for the holidays.

The golf shop will close Sunday December 22 for the off season, pending if the golf course remains open for the season. Depending on course conditions, we will keep everyone aware of when we will shut down for the season.

On behalf of Joe Malay, his staff, as well as myself and the pro shop staff we would like to thank everyone for a great

2013 golf season and wish you a healthy and safe holiday season. We look forward to seeing everyone in 2014, as we have a big year planned with the formation of a golf association.
