

SEPTEMBER NEWSLETTER

With the Labor Day weekend here, normally this would signal the beginning of the end of the golfing season. Not here at Hop Brook, as we are just beginning. Although the calendar says September, we will be introducing some fun filled events to hopefully kick start a golf association all golfers would be able to play in beginning in 2014. We are looking to set up a committee which would include the following officers in this association: President, Vice President, Secretary, Tournament Chairman, and Rules Chairman. We would also ask for people to volunteer and join the tournament and rules committees to help establish events as well as discuss league rules.

Personally, I am hoping that we can get a few golfers together to discuss some of the local rules established here. There are a few spots in question that do not adhere with the USGA Rules of Golf. If this is of any interest, please feel free to contact Bob in the golf shop.

From the Superintendent

Our greens are beginning to recover nicely from the aerification we performed. We thank you for your patience during this process. As a reminder to help speed up this process, we kindly ask that you repair your ball mark plus another. Thank you.

2013 JUNIOR GOLF AT HOP BROOK

Year one of our interclub team may not have gone as we hoped, however what a great learning experience. This team will come back in 2014, and is open to any child ages 8-15. The recruiting process begins now. If there is a child you know who may be interested, please send them here.

Saturday October 12, we will be holding our first ever Billy Burke Junior Invitational. This is open to children ages 8-17. The 18 hole division will begin play at 12 noon, with the nine hole division to immediately follow. The cost is \$30 for nine, \$40 for 18 with an awards ceremony to follow at Jesse Camille's. Pre registration is required. The deadline is Monday September 30. Entry forms can be obtained in the golf shop.

Our fall junior lesson program is up and running, and I will cater this to you and your children's schedule. Please stop in the shop for more information.

HOLE IN ONE PRIZE

In a partnership with Omaha steaks and the Connecticut section of the PGA, anyone on hole number 7 (150 yards or more, 120 for the ladies) recording a hole in one will receive a prize package from Omaha Steaks.
