Minutes – Board of Mayor and Burgesses
Regular Meeting – May 4, 2010

Burgess Fragoso received a call from a resident regarding lights being left on at the ball fields. She is waiting for an answer regarding the cost per hour to have the lights on at the fields. Burgess Fragoso hopes the Board of Education puts emotion aside and does the right thing for the children.

Burgess Burns said he is against the closing of Salem School.

Deputy Mayor Rossi said the lighting system for the fields is more advanced than anyone believed. Public Works Director James Stewart will be looking into a way to retrofit controllers to shut off the lights or turn them on with a phone call. The dedication ceremony for Franklin Johnson, Sr. Way will be held on May 27th at 10a.m. The Deputy Mayor congratulated Union City and Peter J. Foley Little Leagues for the excellent job on opening day. She thanked her colleagues on both Boards for their hard work during the long budget process. She is upset with the Board of Education's political comments.

Burgess Woodfield is glad the Borough is getting a quote to resolve the issue on his street.

Burgess Neth congratulated Burgess Ciacciarella on the clean-up effort in Union City. He said the budget process is hard work and takes a lot of energy. Burgess Neth said he was disappointed the Board of Education did not ask the union for a zero increase.

Burgess Ciacciarella said there were 150 volunteers to help on Union City Clean-up Day. He thanked numerous businesses for their generous donations and the Street Department for picking up the trash on Monday morning. He also commended the Finance Board for reinstating the funding of the Social Services program in the budget.
