8. Burgess Comments/Sub-Committee Reports

Burgess Kuczenski relayed concerns residents have with Borough vehicles not having identifying markings on the side of the vehicle.

Burgess Ciacciarella said blight was the main concern at his quarterly meeting. October 10th is clean up day in Union City and he thanked Coca Cola and Yofarms for their donation of refreshments for the volunteers.

Burgess Neth said he has received more phone calls this past month regarding the Board of Education than any other issue over the past ten years. People are upset and embarrassed. They are asking for the resignations of Board of Education members.

Burgess Woodfield suggested Burgesses visit residents at Glendale Center.

Deputy Mayor Rossi said her phone has been ringing off the hook about the Board of Education. Other towns' residents are questioning the lack of accountability. She said she is concerned about the learning environment for the students. Deputy Mayor Rossi wants to be on the record as having read the following Connecticut State Statute 10-222: "Expenditures by the board of education shall not exceed the appropriation made by the municipality, with such money as may be received from other sources for school purposes. If any occasion arises whereby additional funds are needed by such board, the chairman of such board shall notify the board of finance, board of selectmen or appropriating authority, as the case may be, and shall submit a request for additional funds in the same manner as is provided for departments, boards or agencies of the municipality and no additional funds shall be expended unless such supplemental appropriation shall be granted and no supplemental expenditures shall be made in excess of those granted through the appropriating authority".

Mayor Mezzo said the hiring of Wayne McAllister at the Board of Education is a step in the right direction. He said the teachers bargained in good faith along with other unions. He does not feel blame should be placed; however, someone is accountable and it should have been publicly addressed.

Burgess Burns thanked the Mayor for fulfilling his request to have the flag at half-mast in observance of the 9/11 tragedy. He is happy the graffiti wall is gone.

Burgess Fragoso said Inland Wetlands Commissioner Mary Davis is being honored by the Southwest Conservation District. She congratulated the Fire Department for their collaborative rescue effort with Beacon Falls.

Burgess Scully thinks it is excellent Wayne McAllister is working with the Board of Education. He feels that Wayne should be number two under the superintendent. He questioned the funding of the Parcel C clean up.

Burgess Campbell congratulated both Fire Departments for the rope rescue effort. He feels the appointment of Wayne McAllister is an excellent idea.

Burgess Kuczenski told residents to voice their concerns regarding the Board of Education budget at the Board of Education meetings.
Burgess Ciacciarella said the Zoning Commission is working on town wide zone changes. He attended the WPCA meeting and said the study on the water issues is almost complete. There was some discussion regarding a sewer usage fee.
Burgess Woodfield said everyone should be careful who to blame over the Board of Education budget. He said it is not the teachers fault but the Board of Education.

Minutes - Board of Mayor and Burgesses
Regular Meeting - October 6, 2009

Deputy Mayor Rossi thanked the Elks Lodge for their dedication and observance of Patriots Week and the Boy Scouts Troop for their hard work during the Harvest Moon Festival. She encouraged the Burgesses to attend the TRIAD fashion show this month. The Deputy Mayor brought to everyone's attention the petition that is circulating about social security. (Deputy Mayor Rossi's comments are attached as submitted.)

Burgess Fragoso reminded everyone it was Fire Prevention Week. A company contacted the Fire Department asking if they can put a twenty foot taller tower on the Eastside Fire Station. The company will pay the Borough for allowing them to do so and the Fire Department is requesting the money go into their budget instead of the General Fund. She thanked the following people for their involvement with the Farmers Market: the Farmers for believing in Naugatuck, the Park Department and Park Commission, Senior Center Director Harvey Frydman and the senior volunteers, and everyone who supported the farmers with their business.

Burgess Scully said he would like the Riverwalk to get started in the spring. He spoke about the Davis Street water issue and the need to fix the situation.

Mayor Mezzo said on October 19th at 7p.m. is a presentation/public forum regarding the St. Mary's Hospital proposal to be held at the Historical Society.

22. **VOTED:** Unanimously on a motion by Deputy Mayor Rossi and seconded by Burgess Neth to adjourn the meeting at **9:18 p.m.**

A tape recording of this meeting is available in the office of the Borough Clerk for further review.
