Minutes – Board of Mayor and Burgesses
Regular Meeting – July 5, 2016

sign all documents related to the UPSEU Dispatchers Union Contract Naugatuck Police date July 1, 2015 through June 30, 2018.

7. **Kevin Zak, President of the Naugatuck River Revival Group (NRRG)** gave a video presentation on the Naugatuck River focusing on the Kinneytown Dam in Seymour. The dam is not a Department of Energy and Environmental Protection (DEEP) dam and is considered a Class C Significant Hazard. The dam does not allow fish to pass through the dam to the other side. An alarming amount of fish and wildlife are dying at the hands of the dam each year. The dam only generates one megawatt of power. In comparison, the proposed Oxford Power Plant will generate 800 megawatts and the plant in Middletown generates 600 megawatts. Mr. Zak asked for the board's support and guidance in getting the dam in Seymour removed.
8. Mayor Hess stated he is working on several **proposed solar projects** within the Borough of Naugatuck that would generate 3 to 4 megawatts each. He wants to explore collaborating with other municipalities to knock down the Seymour dam to improve the river. The excess power from the Naugatuck solar projects could be used to offset the Seymour dam's one megawatt of power.
9. Public Comment
 - Commended the mayor and burgesses for considering solar energy.
 - Hopes the board works with other towns on the Seymour dam.
 - Vote in the July 12th Budget Referendum.
10. Mayor Hess appointed the following members to an **Elderly Tax Exemption Committee** to review and modify current elderly tax exemptions and credits. The committee shall commence its statutory duties on September 12, 2016. Prior to the commencement of the statutory requirements, Assessor Carol Ann Tyler shall schedule a workshop to disseminate materials and review the current protocol.

34. Burgess Comments/Sub-Committee Reports

Mayor Hess encouraged everyone to vote against the budget in the referendum. He said the mill rate will go down as long as the budget is voted down.

Burgess Hoff congratulated all the graduates. She thanked Jay Carlson for his years of service to the Naugatuck Economic Development Corporation. She wished him well.

Burgess Donovan reported the Zoning Commission approved Parcel C and an auto shop on New Haven Road. She said the library did an excellent job with their mini golf fundraiser.

Burgess Herb said fracking is dangerous. He thinks we should do an ordinance banning it.

Burgess Vitale reported the Park Commission established field usage fees for adult leagues starting January 1, 2017. The fee will be \$10 for residents and \$15 for non-residents per player per adult league. He thought the fireworks were better than last year. Youth Services will be holding a fundraiser at the Comedy Club next Thursday. Burgess Vitale said a noise ordinance proposal came before the board last year and nothing was done with it. He also thinks we need a pooper scooper ordinance and/or an off leash ordinance.

Burgess Jackson said the concerts on the green have been phenomenal. The fireworks were great. She congratulated Peach Blossom and wished them well on the opening of their new store. She reminded everyone to vote on July 12th in the budget referendum.

Burgess Scully said it was an honor to attend the high school graduation. The Mayor, Mr. Burns and Burgess Scully sat in a cage for the POW/MIA vigil on the green. He reported the PSAP Subcommittee will meet again to discuss setting up a 911 system. He said the work has begun on Kosko Lane.

Mayor Hess is impressed with Senior Center Director Harvey Frydman and the work he does organizing the annual health and wellness clinic.
