

Borough of Naugatuck

2026 Curbside Leaf Collection

Our Public Works Department will collect leaves on your regular trash and/or recycling day. All leaves must be in 30-gallon paper bags.

Spring Leaf Collection will be completed during the week of **April 20, 2026**.

Fall Leaf Collection will be completed during the weeks of **November 2, November 16, and December 2, 2026**.

Leaves are also accepted year-round at the Transfer Station during regular hours in 30-gallon paper bags only. **No Plastic Bags.**

Leaves, grass clippings, pine needles, hay, flowers, and other soft yard waste material can be placed in the paper bags when they are brought to the Transfer Station or left for curbside collection during the weeks of leaf collection. They will be composted and usable and high-quality garden products.
