13. **VOTED:** Unanimously on a motion by Deputy Mayor Neth and seconded by Burgess Scully that the Board of Mayor and Burgesses adopt the following resolution as recommended by Fire Chief Ellen Murray, as if read:

WHEREAS, the Borough of Naugatuck CT is committed to ensuring the safety and security of all those living in and visiting Naugatuck; and

WHEREAS, U.S. fire departments responded to 365,500 home fires in 2015, according to the National Fire Protection Association (NFPA); and

WHEREAS, U.S. home fires resulted in 2,560 civilian deaths in 2015, representing the majority (78 percent) of all U.S. fire deaths; and

WHEREAS, newer homes are built with lightweight materials that burn faster than older home constructions; and

WHEREAS, many of today's products and furnishings produce toxic gases and smoke when burned, making it impossible to see and breathe within moments; and

Minutes – Board of Mayor and Burgesses
Regular Meeting – October 3, 2017

WHEREAS, these conditions contribute to a much smaller window of time for people to escape a home fire safely, with people having as little as one to two minutes to escape from the time the smoke alarm sounds; and

WHEREAS, a home fire escape plan provides the skill set and know-how to quickly and safely escape a home fire situation; and

WHEREAS, a home fire escape plan includes two exits from every room in the home; a path to the outside from each exit; smoke alarms in all required locations; and a meeting place outside where everyone in the home will meet upon exiting; and

WHEREAS, home fire escape plans should be developed by all members of the household; and

WHEREAS, practicing a home fire escape plan twice a year ensures that everyone in the household knows what to do in a real fire situation; and

WHEREAS, Naugatuck's first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education; and

WHEREAS, Naugatuck's residents are responsive to public education measures and are able to take personal steps to increase their safety from fire, especially in their homes; and

WHEREAS, the 2017 Fire Prevention Week theme, "Every Second Counts: Plan 2 Ways Out!" effectively serves to educate the public about the vital importance of developing a home fire escape plan with all members of the household and practicing it twice a year;

THEREFORE, I, N. Warren "Pete" Hess III, Mayor of the Borough of Naugatuck do hereby proclaim **October 8-14, 2017, as Fire Prevention Week** throughout this community. I urge all the people of Naugatuck to develop a home fire escape plan with all members of the household and practice it twice a year, and to participate in the many public safety activities and efforts of Naugatuck's fire and emergency services during Fire Prevention Week.

14. Mayor Hess said there is a serious problem with **Past Due Parking Tickets**. There are approximately 4,600 past due parking tickets going back a long while. It states on the ticket that the Borough of Naugatuck has the right to take the offender to Superior Court to collect. In the past, the borough had an attorney handling cases. It's no longer cost effective to hire an attorney for outstanding parking tickets. The mayor said Controller Allyson Bruce is looking to see if it's feasible to work with the Department of Motor Vehicles. A person would then be unable to register their motor vehicle if they had outstanding parking tickets. Chief Christopher Edson thinks the only long-term effective way is for the borough to partner with DMV. It may be possible to make the department's software compatible to DMV, similar to the way the Tax Department reports whether taxes are paid. Chief Edson said DMV's regulations state that after accumulating five outstanding parking tickets, a vehicle will be denied reregistration until the town notifies DMV that the debt has been paid. It has to be determined what consequence, if any, for less than five outstanding tickets. There were also questions regarding the use of a vehicle boot. More information is needed before a decision is made.

Minutes – Board of Mayor and Burgesses
Regular Meeting – October 3, 2017

15. Mayor Hess met with a group of Naugatuck residents wanting to **establish a Nature Center at Andrew Mountain Park or Gunntown Park**. It would be patterned after the Ansonia Nature Center or Flanders Nature Center in Woodbury. They would start gradually and expand over time. They submitted pamphlets of programs they would host at the Nature Center. A meeting in the Mayor's Office is planned for the residents to meet with representatives from the Park Commission and Conservation Commission. Mayor Hess will invite the group to make a presentation before this board at the special meeting this month.
16. Mayor Hess said there is a difference of opinion between the Park Commission and the Conservation Commission over the use of borough land. He wants both commissions to come before this board to give a presentation regarding what they want to do at each site and who would be in charge. The board decided to hold a special meeting of the Board of Mayor and Burgesses on October 19th at 6:15 p.m. for executive session and presentations at 7 p.m. He will instruct the Park Commission and the Conservation Commission to make a presentation not to exceed forty-five minutes regarding their intentions for Andrew Mountain Park and Gunntown Park.

30. Mayor Hess said people have been asking for a new location for a **Goodwill Truck** since it was removed from the Naugatuck Train Station parking lot after the station was sold. A few possible locations are behind the Genesis Building on Rubber Avenue, in the Park Department parking lot or on Parcel B along the side of Nardelli's Grinder Shop.
