8. Mayor Hess said there are immediate needs, short term needs and long term needs for **additional space in the town hall**. Building Inspector Bill Herzman approached the mayor regarding the need for more space in his department. Mr. Herzman said his office cannot accommodate storing more building documents. They purged all the documents they could and have begun storing documents in the hallway outside of his office. He said there is no place to review construction plans with an applicant in his office. He would like the board to consider options to relieve their immediate need for space. Wendy Murphy from the Naugatuck Probate Court said they are willing to move their office should an appropriate location or space be offered. The building department could expand into the probate court office which would solve their needs. It was also mentioned additional storage space is needed for the Assessor’s Office, the Finance Department and the Borough Clerk’s Department.

33. Burgess Comments/Sub-Committee Reports

**Burgess Bronko** received a complaint regarding loud music being played at 2 a.m. in the old Continental Room. The resident complained that his house was rattling from the loud music. He was told the church is renting out the space. Burgess Bronko asked Deputy Chief Bernegger to look into the matter.

**Burgess DeOliveira** thanked the fire department for allowing him to participate in the live burn at the old Vinny's Restaurant.

**Burgess Vitale** saw several dead geese on the road in the industrial park on Sunday morning. He said it looked as if someone had intentionally drove into the flock. He is glad the fire department is up to speed on inspections now that we have a fire inspector.

**Burgess Herb** reported the Conservation Commission is participating with Kevin Zak and his efforts with Waterbury.

**Burgess Wisniewski** congratulated everyone who participated in the Mission 22 Hike.

**Burgess Neth** said everyone did a great job on the festival. He asked where we are in the process of hiring a new police chief.

**Deputy Mayor Taf Jackson** said she had a great time at the festival. There were 350 seniors in attendance at Senior Day. The Deputy Mayor applauded Senior Center Director Harvey Frydman for doing such a wonderful job.

**Burgess Burns** thanked everyone on behalf of the Burns family for the cards, gifts and well wishes he received while recuperating from his fall.

**Mayor Hess** said the 102<sup>nd</sup> Army Band Ripcord will be invited back to play at next fall's festival. He is proud of Burgess Herb for finishing the Mission 22 Hike. The hike was in memory of Jason Litke. Mayor Hess commends him for serving our country. He said there are beautiful parts of Naugatuck that are unseen unless you walk the trails. People would be amazed to see how beautiful it is.
