7. Public Comment – None

8. Presentation by Human Resources Director John Lawlor regarding the **Fully Insured Healthcare Proposal**. Mr. Lawlor said claims are high and the trend will continue going forward this fiscal year. Connecticare, our current health care provider, is projecting a 15.53% increase in premiums. Brown & Brown Insurance Brokers negotiated with Connecticare on behalf of the borough and the lowest rate they could get was 14.21%. Brown & Brown created a purchasing group of eight municipalities and Board of Educations. Towns participating are Darian, Weston, Region 7, Stratford, Thomaston, Winchester, Old Saybrook and Naugatuck. Brown & Brown went to Anthem and asked what rate they would give the group. Anthem said 8.5% the first year and the second year will not exceed 7.9%. The borough will save approximately a million dollars by accepting the Anthem offer. Mr. Lawlor suggests the borough join the purchasing group to get the best rate.

VOTED: Unanimously on a motion by Burgess Neth and seconded by Burgess Bronko that the Board of Mayor and Burgesses approve the **Fully Insured Healthcare Proposal** and authorize Human Resource Director John Lawlor to execute all contracts and related documents for **Medical and Dental Provider Services** through Anthem Blue Cross Blue Shield for plan years 2020-2021 and 2021-2022 as recommended by Director of Human Resources John Lawlor and Brown & Brown Insurance Brokers.

23. **VOTED:** Unanimously on a motion by Burgess Neth and seconded by Burgess Bronko that the Board of Mayor and Burgesses authorize Mayor Hess to enter into a proposed lease with **Con-Tec, Inc.** for **41 Raytkwich Road** effective February 1, 2020 and terminating on February 1, 2023.
24. Mayor Hess discussed the possibility of a **Community Garden on Springdale Avenue**. The borough owns the property. It is approximately nine acres of rough topography with a steep hill. A house could possibly be built on the parcel but it doesn't have road frontage. We had a potential buyer, Simon Theron, who offered to do site work on the land free of charge if the borough decided to make the property a community garden. The mayor asked the burgesses to look at the property and give feedback on their thoughts for the use of the property. Whether we should sell the land or use it for some other purpose. No decision was made on the property.
25. The mayor discussed the possibility of an **Indoor Sports Complex**. The site the committee is looking at has topography and rock challenges. Mayor Hess said he is in discussions with a man who needs the rock and would be willing to purchase it from the borough. If the cost could be quantified, this location would be the best site for a complex.
26. The **Bulk Trash Subcommittee** gave an update on the proposals they are leaning toward. Two proposals are to have the transfer station open an extra day a week during the season and extend the hours into the evening. Assistant to the Public Works Director Sandra Lucas Ribeiro said the extra day would be Tuesday, which would give her time to have the dumpsters emptied. The hours would be extended on Thursdays. Another proposal is to open the transfer station two Saturdays during the months of January, February, and March to give residents the opportunity to bring things during the winter months. Another proposal is a town wide system. The borough would need to use an outside vendor. Residents would call and schedule a pickup and pay the vendor directly. Ten pickups would be scheduled in a day. Residents would need to be educated which items can be left for pickup. The town would charge the resident for any ineligible items left curbside.
27. **VOTED:** Unanimously on a motion by Burgess Neth and seconded by Burgess Bronko that the Board of Mayor and Burgesses authorize Controller Allyson W. Bruce to refund the following tax refunds approved by Tax Collector James Goggin; as if read:
